Draft Follow-up Email

To: [client email needed] Subject: Following Up on Our Call - C1 Insurance for Valerie

Hi Valerie,

It was great speaking with you earlier today. I wanted to follow up on a few things we discussed.

First, as promised, I've attached Chris Bell's contact information. He's a general contractor I know personally, and I hope he might be a helpful resource as you're shopping around for

repairs. Please remember, he's not officially endorsed by C1 Insurance, but I'm happy to pass on his details.

Regarding your home and auto policies with Travelers, I understand you're considering a claim, and you and Tom are leaning towards 'staying the course' with your current carrier for the time being. As we discussed, that's often the smoothest path when a claim is active, and your renewal isn't until August 7th. Rest assured, we are still proactively remarketing your policies to see what other options might be available in the market. This way, we'll have all the information ready for you and Tom when it makes the most sense to review.

Please don't hesitate to reach out if you have any questions, or if anything changes regarding your claim or your insurance needs. We're here to help in any way we can.

Best regards,

Jackson Ankeny
Account Executive, C1 Insurance Group
